

Free EHR Implementation and Optimization Services for Medicaid Providers

KFMC and KDHE's Division of Health Care Finance (KDHE/DHCF) are working together to assist Medicaid healthcare providers in Kansas by offering health information technology assistance.

Services offered include:

- EHR Selection
- EHR Implementation
- Meaningful Use Assistance
- Information System Security Management
- Process Analysis and Redesign
- Health Information Exchange Connectivity

You are eligible for these free services if all four of the following statements are true for you.

1. I am contracted with at least one of the three managed care organizations (United Healthcare, Sunflower, Amerigroup) as a Medicaid provider **OR** I have a Kansas Medical Assistance Program (KMAP) Fee-for-Service number.
2. I am a physician (MD, DO), nurse practitioner, nurse midwife, or dentist.
3. I have **NOT** attested to Meaningful Use in the CMS EHR Incentive Program.
4. I am **NOT** hospital-based. (An eligible professional is considered hospital-based if 90% or more of his or her services are performed in a hospital inpatient (Place Of Service code 21) or emergency room (Place Of Service code 23) setting.)

If all of these statements are true for you, please contact Kelly Stephens at 785-271-4112, or kstephens@kfmc.org.
