

**UnitedHealthcare Community Plan of Texas
4th Quarter 2018 Preferred Drug List Update**

UnitedHealthcare Community Plan’s Preferred Drug List (PDL) is updated quarterly by our Pharmacy and Therapeutics Committee. Please review the changes and update your references as necessary.

You may also view the changes at UHCprovider.com > Health Plans by State > Choose Your State > Medicaid (Community Plan) > Pharmacy Resources and Physician Administered Drugs.

We provided a list of available alternatives to UnitedHealthcare Community Plan members whose current treatment includes a medication removed from the PDL. Please provide affected members a prescription for a preferred alternative in one of the following ways:

- Call or fax the pharmacy.
- Use e-Script.
- Write a new prescription and give it directly to the member.

If a preferred alternative is not appropriate, please call **800-310-6826** for prior authorization for the UnitedHealthcare Community Plan member to remain on their current medication.

Changes will be effective October 1, 2018

Removed from PDL

Brand Name	Generic Name	Comments
Non-BD Insulin Syringes and Pen Needles	Non-BD Insulin Syringes and Pen Needles	BD insulin syringes and pen needles will remain preferred. All other manufacturer’s insulin syringes and pen needles will be non-preferred. Current utilizers will not be grandfathered.

PDL Update Training on UHC On Air
