

Get protection against COVID-19. Get a \$100 gift card.

When you get vaccinated against COVID-19, you can earn a \$100 Walmart® or CVS gift card. Here's how:

Find out where you can get the COVID-19 vaccine

Visit vaccine.ky.gov or call the number on the back of your member ID card. Wherever you choose to go, you will not be charged for the vaccine. If you need help getting a ride to your appointment, call the number on the back of your member ID card.

Get your COVID vaccinations

- 2 doses of the Moderna vaccine
- 2 doses of the Pfizer vaccine
- 1 dose of the Johnson & Johnson vaccine

Call Member Rewards

Call toll-free **1-800-870-5574**, TTY **711**, 7 a.m.–7p.m. local time, Monday–Friday to report your vaccinations and choose your gift card.

Members must be fully vaccinated between July 1, 2021, and December 31, 2022, to qualify for a gift card. Your gift card will arrive within 6 weeks.

6 things to know about COVID-19 vaccines

The COVID-19 vaccines are safe

They have been carefully tested, and more than 300 million people have safely been vaccinated.

Even healthy people need the vaccine

COVID-19 can lead to serious illness or worse, even in healthy people. The vaccines also protect people around you who are at risk.

Side effects are usually minor

Some people may feel a sore arm or flu-like symptoms that usually go away in 36 hours or less.

You can't get COVID-19 from the vaccine

The vaccines don't have the live virus inside them.

Vaccinate even if you have had COVID-19

If you've already had COVID-19, doctors still recommend getting the vaccine to boost your protection.

Vaccines save lives

Vaccines have a long history of safely protecting people from serious diseases like mumps and measles.

Members who get fully vaccinated between July 1, 2021, and December 31, 2022, can earn a \$100 gift card. So get vaccinated as soon as possible.

For more information on the COVID-19 vaccine, visit the CDC website at [cdc.gov](https://www.cdc.gov).
