Choosing a Primary Care Physician (PCP)

Washington Apple Health Medicaid and Integrated Managed Care members need a primary care provider (PCP). There are several types of PCPs in this directory. Each covered family member may choose a different PCP in UnitedHealthcare Community Plan. Except in an emergency, your PCP and staff will give or manage all your health care. This includes referrals to specialists. PCPs may be family or general practitioners, internists, pediatricians, or other providers approved by UnitedHealthcare Community Plan.

Changing Your PCP

If you want to change your PCP, call Member Services. They will help you pick a new PCP. You may change your PCP during the year. You may also contact a provider to find out if the provider contracts with UnitedHealthcare Community Plan. When you call, be sure to mention UnitedHealthcare Community Plan. Ask if the provider is taking new patients.

Seeing Another Doctor or Specialist

Your PCP might want you to go to a specialist. A specialist is a doctor who treats a special problem, like a dermatologist or a heart doctor. Your doctor will help you find the right specialist. If you have a complex illness, you may need to see the specialist many times. You may see your specialist as often as needed. If you have complex care needs, a specialist can be your PCP. If you need this, call Member Services. We will help you find a specialist who can meet your needs.

Women’s Health Care Services

If you are female, you may want to see a provider in our network who offers women’s health care. You can get these services from an in-network women’s health care provider without a PCP referral.

These women’s health services are covered without a PCP referral or health plan preauthorization:

- Maternity care, including prenatal, delivery, and postnatal care.
- Routine gynecological exams.
- Examination and treatment of disorders of the female reproductive system.
- Other health problems treated during a woman’s health care visit, if the treatment is within the provider’s scope of practice and the service is not excluded.

If you need to see a women’s health provider who is not in our network, you must get a referral from your PCP.
Behavioral Health Services

As a UnitedHealthcare Community Plan member, you’re eligible for Behavioral Health Services, also called mental health and substance abuse services. Mental health providers are listed in this provider directory. They can help you with personal problems that may affect you and/or your family. These problems may be stress, depression, anxiety or using drugs or alcohol.

Washington Apple Health Medicaid members get behavioral health or substance use disorder care through any of the below:
- Your primary care provider (PCP).
- A Community Mental Health Center or substance use disorder agency.
- Another behavioral health or substance use disorder provider.

Talk to your PCP today about any health or behavioral health problems you have. Your PCP will refer you to a behavioral health provider with UnitedHealthcare Community Plan. They can refer you to specialists, and other facilities, such as hospitals and substance use and treatment services. Your PCP will stay involved with you through the stages of recovery: Health, Home, Purpose and Community.

Washington Apple Health Integrated Managed Care members and Behavioral Health Services Only members get these behavioral health and substance use disorder benefits:
- Evaluation and assessment.
- Medication management and monitoring.
- Individual and group counseling.
- Peer support.
- Family counseling.
- Substance use disorder services.
- Education about mental health, treatments and medications.
- Rehab case management.
- Withdrawal management (detox).
- Opiate replacement treatment.
- Case management.
- And more.

You don’t need a referral from your PCP to see behavioral health specialists in your plan. There are some treatments and services that need preapproval before you can get them. To learn more, talk to your doctor.

Out-of-Network Providers

You or your PCP might decide that you need to see a doctor or provider that is not in our network. Your PCP will need to call us for an okay for these services before they will be covered. This is called a Prior Authorization.

Pharmacy

For locations of pharmacies, call Member Services at 1-877-542-8997, TTY 711. Behavioral Health Services Only members will have access to their pharmacy benefit through their medical carrier.

What if I need medical care when I am out of town?

We will pay for routine care out-of-area only if:

- You need to obtain family planning services. You can self-refer to in-network or out-of-network providers.
- You call your PCP first and he or she says that it is important that you get care before you return home.
- Your PCP must then call us to get approval.
- If you do not speak to your PCP before you get routine care when you are away from home, you may have to pay for care yourself. If you cannot reach your PCP, call Member Services.
- Any doctor you see must agree to accept Washington Medicaid payment as payment in full.

This means if you or your family members are on vacation and need routine care, we will pay only if you get our approval first. If you need emergency care when you are out of town, go immediately to the nearest Emergency Room (ER) or urgent care facility. You do not need a referral from your PCP. Call your PCP as soon as you can after getting ER or urgent care services.
**No Medical Coverage Outside of the United States**

Any health care services you get while out of the country will not be covered by UnitedHealthcare Community Plan. Medicaid cannot pay for any medical services you get outside of the United States.

**Language Help**

We can give you member materials in a language or format that is easier for you to understand. We have interpreters if your doctor does not speak your language. This is free when you talk to us or your doctors. If you do not speak English and need help, call Member Services at **1-877-542-8997, TTY 711**.

**Emergency Care**

In an emergency, you do not need a prior authorization. Call 911 or go to the nearest emergency room. You can get emergency care 24 hours a day, 7 days a week.
To find a provider, go to the table of contents and find the listing for your county. The providers are listed by their specialty. When you find the specialty you want, go to the page listed. Then you can pick the provider who meets your needs. Members may get care from a resident physician or a certified registered nurse practitioner under the supervision of a PCP.
Description of Provider Listings

Sample provider and hospital listings are listed below:

1 **Board Certification** Board certification shows a physician’s expert knowledge in a medical specialty. Certification involves a process of testing and evaluation by specialists in the specific area of medicine. A board-certified specialist participates in continuing education to learn about the latest advances in medical science and technology in his/her specialty. You can check the provider’s board certifications on the American Board of Medical Specialists (ABMS) website. Go to [www.abms.org](http://www.abms.org) and click on “Is Your Doctor Certified?”

2 **Languages** other than English spoken by the provider.

3 **A list of hospitals** the provider uses.

4 **Limitations** of the practice. An example is Closed Panel (not accepting new patients).

5 **Wheelchair** picture tells you the provider is wheelchair-accessible.

UnitedHealthcare verifies this information when these providers join our network and every three years (or sooner) when the provider is re-credentialed.

Cómo se debe emplear este directorio

Para escoger a un doctor de atención primaria (PCP, Primary Care Physician)

Los miembros de Washington Apple Health Medicaid y Integrated Managed Care necesitan un proveedor de atención primaria (PCP). Hay varios tipos de PCP en este directorio. Cada uno de los miembros de la familia puede escoger a un PCP diferente en UnitedHealthcare Community Plan. Con la excepción de emergencias, su PCP y el personal que le asiste le proporcionarán o le ayudarán al manejo de cuidados de su salud. Esto incluye referencias a especialistas que usted pueda necesitar. Los PCPs pueden ser médicos familiares o doctores en medicina general, internistas, pediatras o cualquier otro tipo de proveedor que sea aprobado por el UnitedHealthcare Community Plan.

Para cambiar su PCP

Si usted desea cambiar a su PCP, llame a Servicios para Miembros. Ahí le ayudarán a escoger a un nuevo PCP. Usted puede cambiar de PCP en cualquier momento del año. Usted también puede llamar a cualquier proveedor y preguntar si tiene un contrato con UnitedHealthcare Community Plan. Cuando usted llame, asegúrese de mencionar UnitedHealthcare Community Plan. También pregunte si el proveedor está tomando nuevos pacientes.

Para consultar con otro doctor o especialista

Es posible que su PCP quiera que usted consulte con un especialista. Un especialista es un doctor que trata problemas médicos especiales, como un dermatólogo o un doctor para el corazón. Su doctor le ayudará a encontrar el especialista correcto que necesita. Si usted tiene una enfermedad compleja, es posible que sea necesario que vea un especialista muchas veces. Usted puede ver el especialista tan a menudo como sea necesario. Si su caso requiere de cuidados complejos, el especialista puede ser su PCP. Si eso es lo que se requiere, usted puede llamar a Servicios Para Miembros. Nosotros le ayudaremos a encontrar un especialista que pueda satisfacer sus necesidades.

UHCCommunityPlan.com

- Examen y tratamientos de problemas del sistema reproductor femenino.
- Otros problemas de salud que se han observado durante las consultas para los cuidados de salud femeninas, si el tratamiento se encuentra dentro de la esfera de acción del proveedor y si ese servicio no está excluido.

Si usted necesita consultar con un proveedor de salud para la mujer que no se encuentre dentro de nuestra red, usted debe obtener una referencia de parte de su PCP.

Proveedores fuera de nuestra Red

Usted o su PCP pueden decidir que usted necesita consultar con un doctor o un proveedor de salud que no se encuentra dentro de nuestra red. Su proveedor necesitará llamarnos para que nosotros autoricemos estos servicios antes de poder cubrirlos. A esto se le llama “Autorización Previa”.

Farmacia

Para conocer la ubicación de farmacias, llame al Servicios para Miembros al 1-877-542-8997, TTY 711. Los miembros de Servicios de Salud Conductual Solo (Behavioral Health Services Only) tendrán acceso a sus beneficios de farmacia a través de su seguro médico.

¿Qué pasa si necesito atención médica cuando estoy fuera de la ciudad?

Nosotros cubriremos el costo de cuidados de salud de rutina en sitios fuera de su área solamente si:

• Usted necesita obtener servicios de planificación familiar. Puede auto referirse a proveedores dentro o fuera de la red.
• Usted llama primero a su PCP y él o ella dice que es importante que usted reciba tratamiento antes de que retorne a su casa.
• Su PCP entonces debe llamarnos para obtener aprobación.
• Si usted no se comunica con su PCP antes de obtener cuidados de salud de rutina cuando se encuentra fuera de su área, es posible que usted tenga que cubrir el costo de estos servicios. Si usted no puede comunicarse con su PCP, llame a Servicios para Miembros.
• Cualquier doctor con el que consulte tiene que estar de acuerdo con aceptar el pago de Washington Medicaid como pago total.

Eso significa que si usted o cualquier miembro de su familia se encuentran de vacaciones y necesitan de cuidados rutinarios de salud, nosotros pagaremos por ellos solamente si usted obtiene una autorización. Si usted requiere de servicios de emergencia cuando se encuentre fuera de la ciudad, acuda inmediatamente a la sala de emergencias (ER) o centro de cuidados de urgencia más cercana. Usted no necesita ser referido por su PCP. Llame a su PCP en cuanto sea posible después de obtener asistencia de los servicios de emergencia o cuidados urgentes.

UHCCommunityPlan.com
No hay cobertura médica fuera de los Estados Unidos

Cualquier servicio médico que usted reciba mientras se encuentre fuera de los Estados Unidos no será cubierto por UnitedHealthcare Community Plan. Medicaid no puede pagar por los servicios médicos que usted reciba cuando se encuentre fuera de los Estados Unidos.

Ayuda con el idioma

Nosotros podemos proporcionarle información acerca de su membresía en un idioma o formato que usted entienda con mayor facilidad. Tenemos intérpretes si su doctor no habla su idioma. Este servicio es gratuito cuando usted habla con nosotros o con sus doctores. Si usted no habla inglés y necesita ayuda, llame a Servicios para Miembros al 1-877-542-8997, TTY 711.

Servicios de emergencia

En una emergencia usted no necesita solicitar previa autorización. Llame al 911 o acuda a la sala de emergencias más cercana. Usted puede obtener servicios de emergencia las 24 horas del día, los 7 días de la semana.

Para encontrar un proveedor, consulte los cuadros para encontrar su condado. Los proveedores se encuentran anotados de acuerdo a su especialidad. Cuando usted encuentre la especialidad que busca, vaya a la página indicada. Aí, escoja al proveedor que llene sus necesidades. Los miembros podrán obtener asistencia por parte de médicos residentes o enfermeras practicantes certificadas bajo la supervisión de un PCP.
Descripción de la lista de proveedores

Una lista con ejemplos de doctores y hospitales se anota a continuación:

1 Certificación de la Junta Certificación de la junta demuestra conocimiento experto de un médico en una especialidad médica. La certificación implica un proceso de prueba y evaluación por especialistas en el área específica de medicina. Un especialista certificado por la Junta participa en la educación continua para aprender acerca de los últimos avances en la ciencia médica y la tecnología en su especialidad. Usted puede comprobar las certificaciones de la Junta del proveedor en el sitio web de la Junta Americana de Especialistas Médicos (American Board of Medical Specialists – ABMS). Acuda al www.abms.org y haga clic en “¿Es su doctor certificado?”

2 Otros idiomas además del inglés que hable el proveedor.

3 Una lista de los hospitales con que el proveedor está afiliado.

4 Limitaciones de la práctica. Por ejemplo, un Panel cerrado (en donde no se aceptan nuevos pacientes).

5 Una fotografía de una silla de ruedas le indica que el proveedor ofrece acceso para pacientes en sillas de ruedas.

UnitedHealthcare verifica esta información cuando los proveedores se unen a nuestra red y después se actualiza cada tres años (a veces más a menudo), cuando se acredita al proveedor.
