

You're Invited to a Class on Medications

Caregivers, assisted living and adult foster home managers and owners will learn about medications.

Topics include:

- Helping residents manage their medications safely
- Correct and accurate medication documentation
- Avoiding problems relating to medications

All participants will receive a certificate of completion. Facility managers will receive four (4) Continuing Education Units (CEUs) approved by the Arizona Board of Nursing Care Institution Administrators.

Feb. 8, 2018

1-5 p.m.

Garnet of Casa Grande Assisted Living Community

510 E. 8th St.

Casa Grande, AZ 85122
