

Billing Reminder for Psychiatric Medical Institution for Children (PMIC) Services

We've created the following tips to help you submit claims for PMIC services for members. By working together, we can improve the accuracy and timeliness of claims we process. We appreciate your help.

Following are the descriptions for the revenue and HCPCS codes to use when billing PMIC services:

- **Psychiatric Bed - PMIC day:**
 - Revenue code 0150 with HCPCS code T2048
- **Psychiatric - PMIC enhanced:**
 - Revenue code 0154 with HCPCS code T2048 and TG modifier
- **Leave of Absence - General** (use of mental health hospitalization for members under age 21):
 - Revenue code 180
- **Therapeutic Leave Day** (use for home leave for members under age 21):
 - Revenue code 183
- **Leave of Absence - Other** (use for elopement for members age under 21):
 - Revenue code 189

As a reminder these services do require prior authorization. You can submit prior authorization requests in one of two ways:

- Go to **UnitedHealthcareOnline.com** > Notifications/Prior Authorizations > Notification/Prior Authorization Submission.
- OR
- Call at 888-650-3462

To avoid a claim being denied, we ask that you include the applicable revenue code. For services that also have an applicable HCPCS code, please include it on the claim, too. If you need more information about revenue and HCPCS codes, please refer to the PMIC Provider Manual at <http://dhs.iowa.gov> > Rules and Policies > Provider Manuals.

Where to send your claims

For the PMIC codes listed above, claims must be billed on a UB-04 form or using an electronic equivalent. Please mail paper claims to:
