

Donor Human Breast Milk –
Kansas Medical Assistance Program (KMAP) Hospital Fee-For-Service Provider Manual Update

Effective with dates of service on and after July 1, 2016, the Kansas State Medicaid Program reimburses a medical care facility for prescribed medically necessary donor human breast milk for a critically ill infant under the age of 3 months who is in a neonatal intensive care unit of a hospital. The infant must be a Kansas Medicaid member and the donor human breast milk must be prescribed by the member's physician.
