

New Rates for Sleep Cycle Support Services – Effective Jan. 1, 2016

Effective Jan. 1, 2016, the rate for Current Procedural Terminology code T2025, Sleep Cycle Support, for UnitedHealthcare Community Plan of Kansas network care providers is \$78.30 for the following waivers: Physically Disabled, Frail Elderly, Intellectual and Developmental Disability and Traumatic Brain Injury. This is an increase from the current rate of \$30.60.

This update is part of the state's new Department of Labor regulations for in-home care services. If you have any questions, please contact your Provider Advocate. If you do not know your Provider Advocate, go to UHCCommunityPlan.com > For Health Care Professionals > Kansas > Provider Advocate Contact Information. Thank you.
