UnitedHealthcare Community Plan of Maryland members who receive prescriptions through the Specialty Pharmacy Program have been notified of this change and which network specialty pharmacy they can use to obtain their prescription. To help prevent any gaps in care, you may also call the specialty pharmacy on behalf of the member, but are not required to do so.

Our Specialty Pharmacy Program provides personalized support and resources to help members manage their condition, including:

- Information on their medication(s) and condition
- Access to one-on-one support and counseling through our clinical management program
- 24/7 telephone support from pharmacists to talk about their condition and medication therapy
- Delivery and shipping in confidential, temperature-sensitive packaging (as required)
- Medication-related supplies, such as alcohol swabs and sharps container, are provided with each order as appropriate
- Refill reminders by phone and text at the member's request
