

Incontinence Supplier Change for United Healthcare Community Plan Members

After careful consideration, UnitedHealthcare has chosen Edgepark Medical Supplies as the supplier for adult and pediatric incontinence products for UnitedHealthcare Community Plan and UnitedHealthcare Connected® for MyCare Ohio members - beginning July 1, 2017.

Please continue to provide incontinence products to our members as a participating provider through June 30, 2017. **This change does not affect other services, equipment and supplies you may provide to members in other UnitedHealthcare benefit plans.**

We'll notify our members of this change and help coordinate the transition to Edgepark for their incontinence products. Edgepark will work with each affected member, their primary care provider and our utilization management team to help ensure continuity of care during the transition. For your convenience we've provided a list of codes that will be restricted to Edgepark incontinence supplies.
