

## **Pediatric Supplement Form Necessary for Rehabilitation Authorization Request**

Starting March 1, 2018, when you provide services to UnitedHealthcare Community Plan members who are 16 and younger for outpatient therapy, please complete the Texas Medicaid Pediatric Supplement to the PSF-750 form. This requirement applies to services provided in the member's home or by home health, Comprehensive Outpatient Rehabilitative Facilities (CORF), Outpatient Rehabilitative Facilities (ORF) and nursing facilities, both skilled and long-term care.

Completing the Pediatric Supplement Form helps us when we review prior authorization requests to make sure the services are part of the member's plan of care and Texas Health Steps. The requirement applies to the following benefit plans managed by UnitedHealthcare Community Plan:

- Children's Health Insurance Program (CHIP)
- State of Texas Access Reform ( STAR)
- STAR+PLUS
- STAR Kids
- UnitedHealthcare Connected™ (Medicare-Medicaid Plan)

### **Here's What You Need to Do**

- Please make sure the signatures of a referring physician or specialist, **and** parent or guardian are included on the form.
- To reduce unnecessary denials and administrative rejections of prior authorization requests for outpatient therapy for members, please make sure the information included on the Pediatric Supplement Form is accurate and complete.

Starting Feb. 12, 2018, you'll be able to access the Texas Medicaid Pediatric Supplement to the PSF-750 form and the instructions to complete the supplement at [myoptumhealthphysicalhealth.com](http://myoptumhealthphysicalhealth.com) > Resource Library. Choose Clinical Submission Form. You don't have to sign in to access the instructions or the form.

Submit the form online, by fax or by mail:

- **Online:** [myoptumhealthphysicalhealth.com](http://myoptumhealthphysicalhealth.com)
- **Fax:** **877-470-7613**
- **Mail:** OptumHealth Physical Health  
P.O. Box 212  
Minneapolis, MN 55440-0212

### **We're Here to Help**

For more information about submitting rehabilitation prior authorization requests:

- Go to UHCCommunityPlan.com > For Health Care Professionals > select Texas > [Reference Guides](#).
- Choose the Prior Authorization Outpatient Therapy (Physical, Occupational and Speech Therapy) Quick Reference Guide.

If you have questions about submitting a prior authorization request online, please call Optum at **800-873-4575**. Thank you.
