Sign Up For Important UnitedHealthcare Community Plan Updates

We've made it easy for you to get the news you care about.

At UnitedHealthcare Community Plan, we know you're busy – and we try to limit the number of communications you receive from us. But when we need to let you know something important right away, we try to get that information to you as quickly as possible. Now you can sign up to receive Provider Alerts from UnitedHealthcare Community Plan Texas so you can find out the important updates that affect your practice.

How to Sign Up

By signing up to receive Provider Alerts, you'll receive important notices about upcoming provider education trainings, claims consideration help, prior authorization news and other helpful information. Just send the following information to uhc_cp_prov_relations@uhc.com.

- Provider or group name
- Contact person name
- Contact person phone number
- Email address
- Fax number

You can also ask your provider or physician advocate to sign you up, or have our customer service representatives register your information by calling 888-887-9003.

By adding both your fax number and email address to your demographic information, you also make it easier for members to find you when they need your services.

You can continue to check for online news by visiting UHCCommunityPlan.com > For Health Care Providers > Texas > Bulletins > [Alerts](#).
