

### Prior Authorization Changes for UnitedHealthcare Community Plan Texas

Beginning **July 1, 2017**, OptumHealth Care Solutions, LLC (Optum®) will manage the prior authorization process for certain outpatient therapy services for the following UnitedHealthcare Community Plan programs in Texas:

- Children’s Health Insurance Program
- State of Texas Access Reform ( STAR)
- STAR+PLUS
- STAR Kids
- UnitedHealthcare Connected™ (Medicare-Medicaid Plan)

#### What Services Need Prior Authorization

You’ll need to follow this new prior authorization process for outpatient therapy services. Remember, we may deny your claim if you don’t receive prior authorization. The following codes require prior authorization before the service is performed. In-home services may also require prior authorization.
