

## An Important Message from the Texas Health and Human Services Commission

### Providers Using EVV Vendor MEDsys Transition to DataLogic Starts July 31, 2018

HHSC is working in collaboration with MCOs, MEDsys and DataLogic to transition all providers in phases before the MEDsys contract expires on Nov. 6, 2018. The contract **will not be extended** or renewed.

To remain compliant with EVV requirements, all Providers currently using the MEDsys VinCENT EVV system **must complete** transition to the HHSC-approved EVV vendor DataLogic Vesta EVV system by Sept. 30, 2018 but **must start** the transition process by July 31, 2018 to allow time for completion by the required date.

#### **ACTION REQUIRED:**

1. Initiate the transition process with DataLogic. Providers currently using MEDsys must complete the [Vesta EVV Agency Information Form](#).
2. Submit the form by July 31, 2018 by [email](mailto:info@vestaevv.com) at info@vestaevv.com or fax to 844.880.2400.
3. DataLogic will contact the Provider agency representative to begin transition activities.

#### **Additional transition information will be coming soon related to:**

- Vesta training sessions
- Visit maintenance
- Streamlined transition processes
- MEDsys data transfer to DataLogic

Contact HHSC EVV at [Electronic\\_Visit\\_Verification@hhsc.state.tx.us](mailto:Electronic_Visit_Verification@hhsc.state.tx.us) for questions regarding this notice.

*Provider agencies that are not required to use EVV (i.e., Private Duty Nursing services) are not required to sign up with DataLogic at this time.*
