

Notice of Payment Reductions for Non-Participating Care Providers

Effective **Aug. 1, 2017**, for all non-participating care provider who render non-emergency services to members in our Mississippi Coordinated Access Network (Medicaid) we will begin reducing payments to 50 percent of the Mississippi Medicaid fee schedule. This includes, but is not limited to:

- Non-participating facilities such as hospitals and outpatient places of service
- Professionals and contractors performing services on behalf of a non-participating facility

What This Means To You

- The payment reduction will only affect care providers who are not currently contracted with UnitedHealthcare MS CAN.
- This payment reduction does not pertain to services performed through emergency room visits or emergency ambulance services.
- Existing reductions recognized by the Division of Medicaid will remain in place.
- This reduction will continue until further notice.

We will continue to reimburse care providers participating in UnitedHealthcare MississippiCAN at a contracted rate that is no less than the Mississippi Medicaid rate.

Need More Information?

For additional information including prior authorization requirements for non-participating care providers, please refer to the [UnitedHealthcare Community Plan Prior Authorization MS CAN - Effective 7/1/2017](#).

To learn more about becoming a participating care provider for UnitedHealthcare MS CAN, please call Network Management at 866-574-6088.

For general information or further assistance, please call Provider Services at 877-743-8734.

Thank you.
