

**Prior Authorization Requirements for UnitedHealthcare Community Plan of Nebraska**

**Effective October 1, 2016**

Many UnitedHealthcare Community Plan of Nebraska plans provide coverage for behavioral health services through a designated behavioral health network. This list contains prior authorization review requirements for participating care providers.

To request prior authorization, please submit your request online or by phone:

- **Link:** Sign in to UnitedHealthcareOnline.com using your Optum ID, then select the Prior Authorization and Notification application on your Link dashboard.
- **Phone:** 866-604-3267

**Prior authorization is not required for emergency or urgent care. Out-of-network physicians, facilities and other health care providers must request prior authorization for all procedures and services, excluding emergent or urgent care.**

The following services require prior authorization:
