

Health Care Professionals, Office Managers and Staff: Please Join Us For a Webinar

Welcome to the UnitedHealthcare Community Plan of California network!

UnitedHealthcare Community Plan of California launched on Oct. 1, 2017, for members currently enrolled in the state's Medicaid program in San Diego and Sacramento counties. As you and your staff begin providing care to new members, we want to make sure you have the information you need to do business with us.

By attending our webinar, you'll learn about:

- ✓ UnitedHealthcare Community Plan of California details
- ✓ Online tools and resources to verify eligibility, submit claims and more
- ✓ Best practices for claims submission and timely filing
- ✓ Prior authorization requirements and process
- ✓ How to resolve issues by reaching out to the right contacts
- ✓ How to access quick reference guides for answers to common questions

Register today!

Advance registration is required. Go to uhc.webex.com > Training Center to get started.

Register today for a session:

To register, please go to uhc.webex.com > Training Center. Enter a session number and password listed on the next page, and then click "Register." You'll receive an email confirmation.

You'll need the following information to register:

- Session number, date and time
- First and last names of attendees
- Organization name
- Tax ID number
- Address and phone number
- Email address
