

Tune in to what's new.

It's programming just for providers.

Our live and on demand programs include these topics and much more:

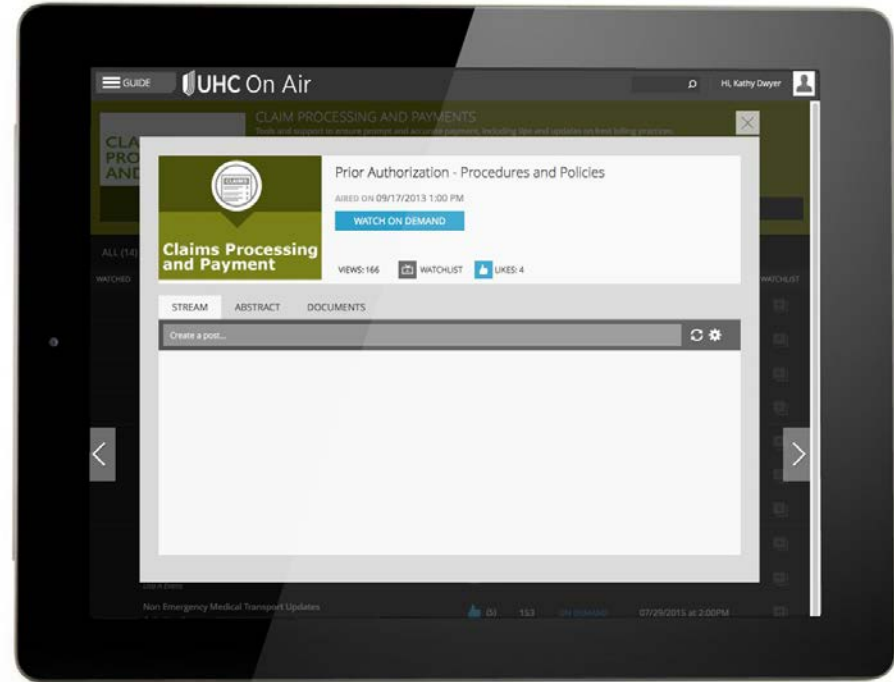

Live broadcasts

Listen. Ask. Contribute.

Live broadcasts give you the opportunity to simply listen in or interact with speakers by asking questions or offering suggestions.

UHC ON AIR

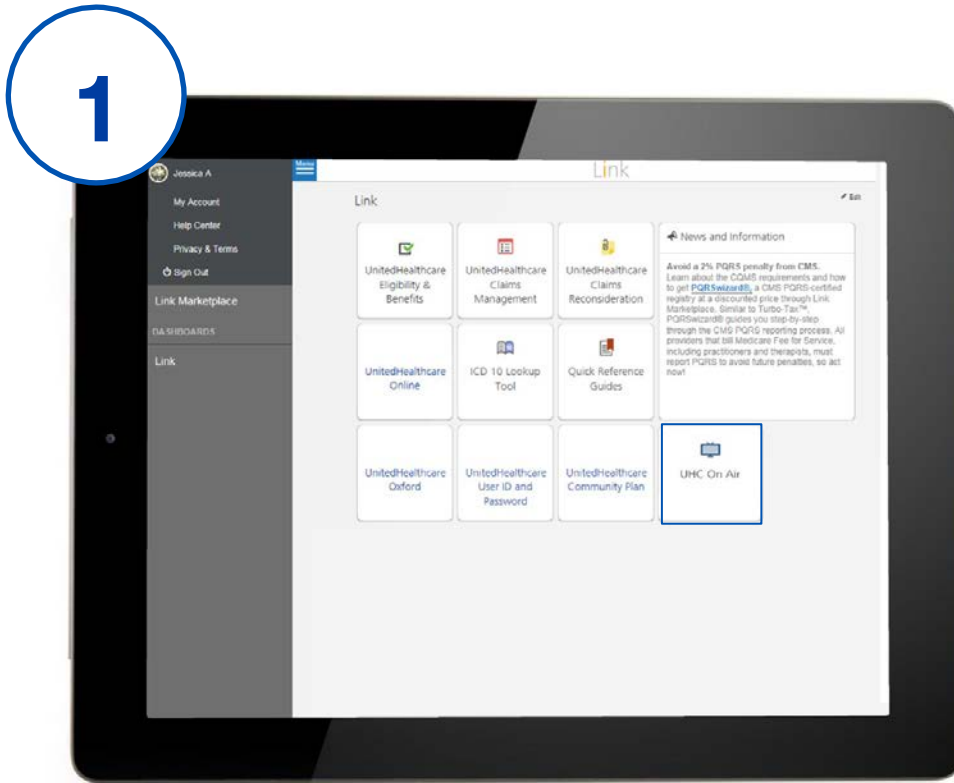

On
Demand

Pick the perfect time.

We're always creating more on-demand programs that you can choose to watch any time, from any smart device or computer.

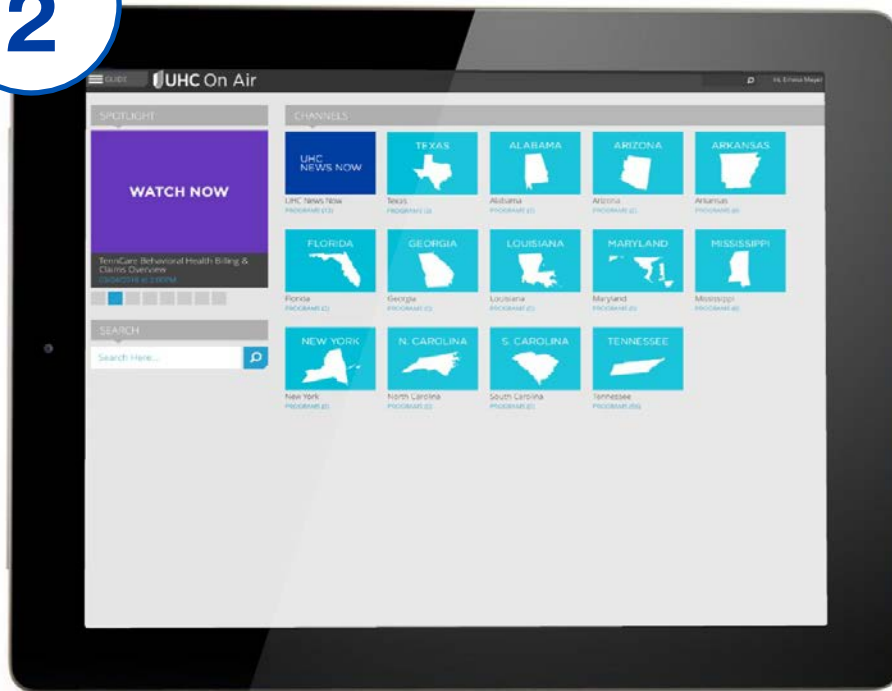

How to get access

Log in to **Link** and select the **UHC On Air** button.

How to get access

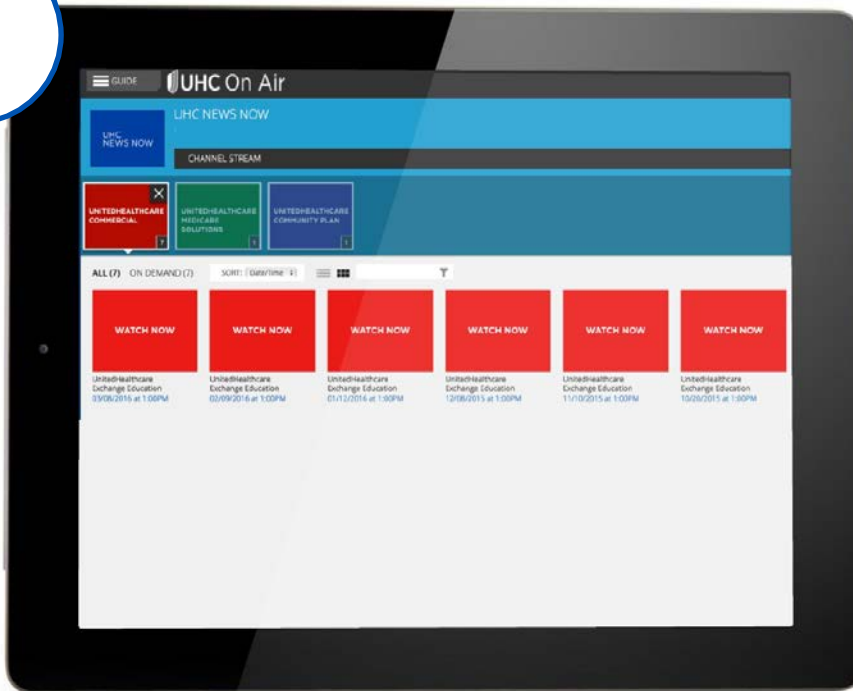

2

Select the **UHC News Now channel** to watch national UnitedHealthcare information, related to Medicare, Medicaid, Military & Veterans and Commercial benefit plans, programs and services.

Select your **state-specific channel** to see our local programming.

How to get access

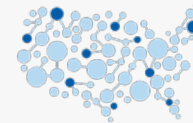

3

After selecting your channel, you'll see videos categorized by plan type.

Questions

- ✓ Does your office allow time for training such as what is offered on UHC On Air?
- ✓ Are there any technical barriers that might prevent your staff from viewing these programs?
- ✓ When would you prefer to watch a video vs. reading a communication?
- ✓ What types of content would you like to see on UHC On Air?
- ✓ What's the ideal length/time for a video?
- ✓ Would you like an option to receive notifications when new videos are posted?

UHC On Air has expanded to a number of new markets and has more than 7,000 registered viewers since its 2013 launch in Tennessee.

Elearning! Magazine Learning! 100 award winner for providing live and on-demand education that allows care providers and their staffs to learn in a new way, on their own schedule.

Thank you!
