# Summary of Benefits

**January 1st, 2018 - December 31st, 2018**

The benefit information provided is a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. The Evidence of Coverage (EOC) provides a complete list of services we cover. You can see it online at [www.UHC.com/PADual](http://www.UHC.com/PADual) or you can call Customer Service with questions you may have. You get an EOC when you enroll in the plan.

## **About this plan.**

UnitedHealthcare Dual Complete® (HMO SNP) is a Medicare Advantage HMO plan with a Medicare contract.

To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live within our service area listed inside the cover, and be a United States citizen or lawfully present in the United States.

This plan is a Dual Eligible Special Needs Plan (D-SNP) for people who have both Medicare and Medicaid, and don't pay anything for covered medical services. How much Medicaid covers depends on your income, resources and other factors. Some people get full Medicaid benefits.

Your eligibility to enroll in this plan depends on your type of Medicaid.

You can enroll in this plan if you are in one of these Medicaid categories:

- **Qualified Medicare Beneficiary Plus (QMB+):** You get Medicaid coverage of Medicare cost-share and are also eligible for full Medicaid benefits. Medicaid pays your Part A and Part B premiums, deductibles, coinsurance and copayment amounts.
- **Qualified Medicare Beneficiary (QMB):** You get Medicaid coverage of Medicare cost-share but are not eligible for full Medicaid benefits. Medicaid pays your Part A and Part B premiums, deductibles, coinsurance and copayments amounts only.
- **Full Benefits Dual Eligible (FBDE):** Medicaid may provide limited assistance with Medicare cost-sharing. Medicaid also provides full Medicaid benefits.

**If you are a QMB or QMB+ Beneficiary:** You pay nothing, except for Part D prescription drug copays.

**If you are a FBDE:** You are eligible for full Medicaid benefits. At times you may also be eligible for limited assistance from Pennsylvania Department of Human Services in paying your Medicare cost share amounts. Generally your cost share is 0% when the service is covered by both Medicare and Medicaid. There may be cases where you have to pay cost sharing when a service or benefit is not covered by Medicaid.

If your category of Medicaid eligibility changes, your cost share may also increase or decrease. You must recertify your Medicaid enrollment to continue to receive your Medicare coverage.

**What benefits does each eligibility level cover?**

<b>Eligibility Level</b>	<b>Part A Premium</b>	<b>Part B Premium</b>	<b>Part D Premium<sup>1</sup></b>	<b>Medicare deductibles, copays, coinsurance</b>	<b>Full Medicaid Benefits</b>
<b>QMB Only</b>	Yes	Yes	No <sup>2</sup>	Yes	No
<b>QMB Plus</b>	Yes	Yes	No <sup>2</sup>	Yes	Yes
<b>FBDE</b>	No	Varies by state	No	Varies by state	Yes

<sup>1</sup>Low Income Subsidy may be available to help with Part D premium cost.

<sup>2</sup>QMBs are automatically enrolled in the low income subsidy program to cover Part D premium costs and will not have Part D premium expenses.

### **Use network providers and pharmacies.**

UnitedHealthcare Dual Complete® (HMO SNP) has a network of doctors, hospitals, pharmacies, and other providers. If you use providers or pharmacies that are not in our network, the plan may not pay for those services or drugs, or you may pay more than you pay at an in-network pharmacy.

You can go to [www.UHC.com/PADual](http://www.UHC.com/PADual) to search for a network provider or pharmacy using the online directories. You can also view the plan formulary (drug list) to see what drugs are covered, and if there are any restrictions.

# Medicaid Benefits

Information for People with Medicare and Medicaid. Your services are paid first by Medicare and then by Medicaid.

The benefits described below are covered by Medicaid. You can see what Pennsylvania Department of Human Services covers and what our plan covers. If a benefit is used up or not covered by Medicare, then Medicaid may provide coverage. This depends on your type of Medicaid coverage.

Coverage of the benefits described below depends upon your level of Medicaid eligibility. No matter what your level of Medicaid eligibility is, UnitedHealthcare Dual Complete® (HMO SNP) will cover the benefits described in the Covered Medical and Hospital Benefits section of the Summary of Benefits. If you have questions about your Medicaid eligibility and what benefits you are entitled to, call Pennsylvania Department of Human Services, 1-800-692-7462.

Medicaid may pay your Medicare cost sharing amount, but it will depend on you Medicaid eligibility level. If Medicare doesn't cover a service or a benefit has run out, Medicaid may help, but you may have to pay a cost share. Please see your Medicaid Member Handbook for details on the cost sharing and additional benefits covered.
