

Prior Authorization Criteria

United Healthcare Community Plan utilizes Arizona state regulations, medical policy developed by United Healthcare consistent with national standards of practice supported by medical literature, and evidenced-based medical management criteria (e.g. Milliman, Interqual) as well as Clinical Practice Guidelines to make prior authorization decisions.

State criteria can be found here

<http://www.azahcccs.gov/shared/MedicalPolicyManual/MedicalPolicyManual.aspx?ID=policymanuals>

Clinical Practice Guidelines are posted on the Health Professionals section of our website.
