# How to Use This Directory

## Choosing a Primary Care Physician (PCP)

There are several types of PCPs in this directory. Each covered family member may choose a different PCP in UnitedHealthcare Community Plan. Except in an emergency, your PCP and staff will give or manage all your health care. This includes referrals to specialists. PCPs may be family or general practitioners, internists, pediatricians, or other providers approved by UnitedHealthcare Community Plan.

---

## Changing Your PCP

If you want to change your PCP, call Member Services. They will help you pick a new PCP. You may change your PCP during the year. You may also contact a provider to find out if the provider contracts with UnitedHealthcare Community Plan. When you call, be sure to mention UnitedHealthcare Community Plan. Ask if the provider is taking new patients.

---

## Seeing Another Doctor or Specialist

Your PCP might want you to go to a specialist. A specialist is a doctor who treats a special problem, like a dermatologist or a heart doctor. Your doctor will help you find the right specialist. If you have a complex illness, you may need to see the specialist many times. You may see your specialist as often as needed. If you have complex care needs, a specialist can be your PCP. If you need this, call Member Services. We will help you find a specialist who can meet your needs.

---

## Women's Health Care Services

If you are female, you may want to see a provider in our network who offers women's health care. You can get these services from an in-network women's health care provider without a PCP referral.

These women's health services are covered without a PCP referral or health plan preauthorization:

- Maternity care, including prenatal, delivery, and postnatal care.
- Routine gynecological exams.
- Examination and treatment of disorders of the female reproductive system.
- Other health problems treated during a woman's health care visit, if the treatment is within the provider's scope of practice and the service is not excluded.

If you need to see a women's health provider who is not in our network, you must get a referral from your PCP.

## Out-of-Network Providers

You or your PCP might decide that you need to see a doctor or provider that is not in our network. Your PCP will need to call us for an okay for these services before they will be covered. This is called a Prior Authorization.

---

## Referrals

Network providers help you and your covered family members get the care needed. Access to specialists may be coordinated by your PCP.

---

## Pharmacy

For locations of pharmacies, call Member Services at **1-866-270-5785, TTY 711**.

---

## Emergency Care

In an emergency, you do not need a prior authorization. Call 911 or go to the nearest emergency room. You can get emergency care 24 hours a day, 7 days a week.

---

## Reporting Incorrect Information

To report incorrect information, email **[provider\\_directory\\_invalid\\_issues@uhc.com](mailto:provider_directory_invalid_issues@uhc.com)**.

This email box is for members to report potential inaccuracies for demographic (address, phone, etc.) data elements identified on the online or paper directories. Reporting issues via this mail box will result in an outreach to the provider's office to verify all directory demographic data. This activity can take approximately 30 days.

Individuals can also report potential inaccuracies via phone. UnitedHealthcare Community Plan members should call the number on the back of their member ID card. Non-UnitedHealthcare Community Plan members can call 1-888-638-6613.

Providers should use the UHC Provider Portal at **[unitedhealthcareonline.com](http://unitedhealthcareonline.com)** or use the upgraded My Practice Profile on Link. Contractual issues should be addressed through your UnitedHealthcare Community Plan Network contact.

## Cómo emplear este directorio

### **Para escoger a un Doctor de Atención Primaria (PCP)**

En este directorio se encuentran varias clases de PCP. Cada uno de los miembros de la familia puede escoger a su propio PCP dentro del Plan de UnitedHealthcare Community Plan. Excepto en casos de emergencia, su PCP y el personal le darán o administrarán todos los cuidados para su salud. Esto incluye referencias a especialistas. Los PCP pueden ser médicos familiares o de práctica general, internistas, pediatras u otro tipo de proveedores aprobados por UnitedHealthcare Community Plan.

---

### **Para cambiar a su PCP**

Si usted quiere cambiar de PCP, llame a Servicios para Miembros. Ellos le ayudarán a escoger a un nuevo PCP. Usted puede cambiar de PCP durante todo el año. Usted también puede llamar a un proveedor para saber si tiene un contrato con UnitedHealthcare Community Plan. Cuando usted llame, asegúrese de mencionar al UnitedHealthcare Community Plan. Pregunte si el proveedor está aceptando a nuevos pacientes.

---

### **Para consultar con otro doctor o con un especialista**

Su PCP puede querer que usted acuda a un especialista. Un especialista es un doctor que da tratamientos a problemas especiales, como, por ejemplo, un dermatólogo o un doctor para el corazón. Su doctor le ayudará a encontrar al especialista correcto. Si usted padece de una enfermedad compleja, es posible que tenga que consultar con ese especialista muchas veces. Usted puede ver al especialista tan a menudo como sea necesario. Si usted tiene necesidad de recibir cuidados para su salud complejos, un especialista puede ser su PCP. Si usted necesita esto, llame a Servicios para Miembros. Nosotros le ayudaremos a encontrar a un especialista que puede llenar sus necesidades.

## Servicios para los cuidados de salud en las mujeres

Si usted es una mujer, posiblemente quiera consultar con un proveedor dentro de nuestra red que ofrezca servicios de cuidados de salud para mujeres. Usted puede obtener esos servicios de parte de un proveedor dentro de la red que ofrezca servicios para mujeres sin necesidad de una referencia de su PCP.

Los siguientes servicios para los cuidados de la salud para las mujeres se cubren sin que sea necesario obtener una referencia de su PCP o necesidad de una autorización previa del plan de salud:

- Cuidados de maternidad, incluyendo cuidados prenatales, parto y cuidados posnatales.
- Exámenes ginecológicos de rutina.
- Examen y tratamiento para los desórdenes del tracto reproductor de la mujer.
- Otros problemas que han sido tratados durante una visita para los cuidados de la salud, si el tratamiento está dentro de la capacidad ofrecida por el proveedor y los servicios no están excluidos.

Si usted necesita consultar con un proveedor para la salud de la mujer que no se encuentra dentro de nuestra red, es necesario obtener una referencia de su PCP.

---

## Proveedores que se encuentran fuera de nuestra red

Usted o su PCP pueden decidir que es necesario consultar con un doctor o un proveedor que no se encuentra dentro de nuestra red. Su PCP necesitará llamarnos para obtener la aprobación de esos servicios antes de que usted los reciba. A eso se le llama una autorización previa.

---

## Referencias

Los proveedores de la red le ayudan a usted y a los miembros de su familia que se encuentren cubiertos a obtener los cuidados para la salud que necesitan. El acceso a un especialista puede ser coordinado por su PCP.

---

## Farmacia

Para conocer la ubicación de las farmacias, llame a Servicios para Miembros al **1-866-270-5785**, TTY 711.

## Cuidados de emergencia

En una emergencia usted no tiene que obtener una autorización previa. Llame al 911 o acuda a la sala de emergencias más cercana. Usted puede obtener servicios de emergencia las 24 horas del día, los 7 días de la semana.

---

## Para reportar información incorrecta

Para reportar información que no es correcta, puede enviar un correo electrónico a:  
**[provider\\_directory\\_invalid\\_issues@uhc.com](mailto:provider_directory_invalid_issues@uhc.com)**.

Este buzón de correo electrónico es para que los miembros reporten errores potenciales en la información demográfica (dirección, números de teléfono, etc.) en internet o en los directorios impresos. Reportando esos errores al buzón electrónico dará como resultado que se contacte a la oficina del proveedor para verificar toda la información demográfica del directorio. Esta actividad puede tomar hasta 30 días aproximadamente.

Las personas también pueden reportar errores potenciales por teléfono. Los miembros de UnitedHealthcare Community Plan deben llamar a los números que se anotan en la parte posterior de su tarjeta de identificación como miembros. Las personas que no sean miembros de UnitedHealthcare Community Plan pueden llamar al 1-888-638-6613.

Los proveedores deben usar el Portal para Proveedores UHC en **[unitedhealthcareonline.com](http://unitedhealthcareonline.com)** o emplear la versión actualizada de My Practice Profile en Link. Asuntos contractuales deben tratarse a través de su contacto en la red del UnitedHealthcare Community Plan.
