About the Directory

Welcome

Welcome to the UnitedHealthcare Community Plan Region 3 network of providers. Our participating doctors and hospitals are ready to meet your health care needs. This Plan requires that you select a primary doctor who will assist you in coordinating your medical care.

Should you have any questions, please call our Customer Service Department at 1-888-716-8787, available 24 hours a day, 7 days a week.

This Is Your Directory of Network Resources

The primary doctors, specialists, hospitals and ancillaries — known as providers that make up the Plan Network — are listed in this directory. This Plan requires that you select a primary doctor.

All providers in this directory were contracted with the network at the time it was printed. Since the listing may have additions or deletions after printing, please check when making an appointment to ensure that your provider still participates by calling our Customer Service Department at 1-888-716-8787, available 24 hours a day, 7 days a week, or by logging on to UHCCommunityPlan.com to view our online provider directory.

Your doctor may determine that you have a medical condition which requires or could benefit from special services not available from providers currently in your network. If so, you are eligible for coverage of such medically necessary services when they are authorized in advance through referral by your doctor. You do not need a referral if you have been identified as having special health care needs. The out-of-network provider should contact our Provider Services Department at 1-877-842-3210 for information. Payment for eligible expenses for medically necessary services is subject to the limitations and exclusions of your health plan coverage which are contained in your enrollee handbook.

Some providers may choose not to perform certain services based on religious or moral beliefs.

How We Screen Our Doctors

UnitedHealthcare reviews providers’ credentials at the time they apply for admission to the network and regularly thereafter. This is done to make sure they meet UnitedHealthcare’s quality standards. Some of the things that UnitedHealthcare reviews include:

- Medical licenses.
- Training and board certificates.
- Network hospital admitting privileges.
- Medical practice records.

Credentials for listed providers are verified with the appropriate public and private agencies. Final evaluation, recommendation and admission of a provider to the UnitedHealthcare network is supported by a panel that includes highly respected providers, based in your own community.
What Is a Network?

A network consists of a select group of physicians, specialists, hospitals, outpatient centers, home health agencies, pharmacies, lab services and other ancillary providers who are contracted to provide services.

The Primary Doctor

When you first become a member, you will be given a primary care doctor. The primary doctor becomes your personal or family doctor and will assist in coordinating all your medical care on an ongoing basis and, when required, refer you to a specialist, ancillary provider, or hospital.

Each family member can individually choose a primary care doctor if desired, and you may change your doctor by calling Customer Service. You may choose to have all family members who are on UnitedHealthcare’s Medicaid Plan served by the same primary care provider, or you may choose different primary care providers based on each person’s needs. Members see their doctors by appointment, except for emergency situations.

A referral from your primary doctor is required before seeing most specialists. You do not need a referral if you have been identified as having special health care needs. The following specialty providers do not require an authorization:

- OB/GYN
- Podiatry
- Dermatologist
- Optometry
- Chiropractor
- Behavioral Health/Substance Abuse Professionals

Referrals are only for specialty visits. You do not need a referral if you have been identified as having special health care needs. The following services do not require a referral:

- Emergency services at an emergency room or hospital.
- Flu shots and pneumonia vaccinations.
- Kidney dialysis services from a certified dialysis facility when you are temporarily outside the Health Plan’s service area.
- Routine women’s health care, such as breast exams, screening mammograms, Pap tests, and pelvic exams, as long as you get them from an in-network provider.
- Routine eye exams and hearing exams, eyeglasses, contacts, or hearing aids from an in-network provider.

If you do not have a referral before seeing a specialist for a service not listed above, the service will not be paid.
Selecting a Specialist

If you think you need to visit a specialist, talk to your doctor. He or she can help you with finding one who meets your needs. If your primary doctor feels you need to see a specialist, he or she must direct you to a participating provider.

Your primary doctor chooses the specialty provider based on his or her referring practices and hospital affiliation. If your primary doctor denies directing you to the specialty care provider of your choice, you have the right to file a grievance. Please refer to your enrollee handbook for instructions on how to file a grievance.

Hospitals

UnitedHealthcare provides hospital coverage when medically necessary. All your inpatient care must be arranged and authorized by UnitedHealthcare. In case of emergency admissions, UnitedHealthcare should be notified within 48 hours. Should you receive care without prior authorization (except in an emergency situation or an out-of-area urgent care situation), you will be responsible for all costs. The hospital selection is determined, among other things, by your Plan doctor’s admitting privileges with certain hospitals, the services offered by the hospital and the hospital’s arrangement with UnitedHealthcare.

To find out the hospital affiliation of primary and specialty providers, call our Customer Service Department at 1-888-716-8787.

A Doctor’s Care When You Are in the Hospital

Your hospital care should be coordinated by your primary doctor. If your primary doctor cannot provide this service, UnitedHealthcare has contracted with doctors that are referred to as “hospitalist.” The hospitalist will coordinate your care throughout your hospital stay and will be in communication with your primary doctor. When you are discharged, your primary doctor will continue to coordinate your care as in the past.

During your hospital stay, your primary doctor will also communicate with your admitting doctor to be informed of your condition or progress.

Should you or your family like to speak with your admitting doctor, please contact the hospital staff and ask to speak to the admitting doctor. As always, our goal is to provide you with the best possible care and to keep you and your family informed at all times regarding your health care during a hospital stay.
**Confidentiality of Medical Records**

UnitedHealthcare will not release any of your personal or medical information to anyone without your written consent, unless required by law.

**Mental Health and/or Substance Abuse Services**

*United Behavioral Health, Inc. (UBH) for the IPA network.*

UBH, as a subsidiary of UnitedHealthcare Group, provides managed mental health and substance abuse care to UnitedHealthcare members. As a managed behavioral health care company, UBH is responsible for managing and reviewing all Mental Health and/or Substance Abuse (MHSA) services. This typically includes prior authorization for inpatient and outpatient care, concurrent review, coordination of services with primary doctors and the development of new programs to meet the needs of our members. Every mental health provider in the UBH network has been evaluated by the UBH Quality Assurance Committee. Mental Health and/or Substance Abuse services may be obtained by calling UBH directly toll-free at 1-800-582-8220 or TTY/TDD toll-free at 1-888-229-1412 (for hearing impaired) from 8:00 a.m. to 5:00 p.m. Please see your enrollee handbook for the actual benefits available.

**Prior Notification**

There are certain services that require Prior Notification. Your primary doctor will ensure that the required notification is obtained. If you want to know what services require pre-authorization, you can call Customer Service at 1-888-716-8787 for a list.

**Prescription Drugs**

As a UnitedHealthcare Community Plan member, you will receive prescription medicines at no cost to you. You will need a written prescription from your primary care physician (PCP) or UnitedHealthcare specialist to have your prescription filled. Even many over-the-counter medicines (such as cough syrup) are covered, as long as you have a prescription. Just take your prescription to a participating pharmacy.

UnitedHealthcare uses a Preferred Drug List (PDL) for your prescription coverage. A PDL is a list of medicines that a health plan (or other health organizations) approves for use. Having a PDL helps your doctor to prescribe medicines for you. New drugs and forms of treatment are being introduced every year, and UnitedHealthcare will add drugs to its PDL as needed.
Most medicines that you may need are included in our PDL. If your medication is not on the list, your doctor may call the UnitedHealthcare Pharmacy Department for covered drugs. If you have special need for a drug not on the UnitedHealthcare Medicaid PDL, contact your doctor or pharmacist or call the Member Helpline at 1-888-716-8787 to see if your medication is covered. There are both brand name and generic drugs on the PDL.

UnitedHealthcare requires that generic drugs be used when available. If a specific medication is not listed on the PDL, your doctor may request it through our prior authorization process. During the prior authorization process, you will receive a 5-day temporary supply of the medicine, if you have not already been taking the medicine and it is safe for you to take. If you have questions about the PDL, talk to your doctor or pharmacist.

Quality Improvement Program

UnitedHealthcare is committed to addressing your needs. Our mission is to “improve the health and quality of life of the people we serve by providing quality health care and management services.”

The Quality Improvement Program monitors and evaluates the delivery of care and services you receive. We strive to enhance and improve the health and well-being of our members.

The Quality Improvement Program is provided throughout the organization to ensure the comprehensive use of appropriate resources to provide the best possible care to you and your family.

Experimental or Investigational Procedures

Experimental or investigational services, which are clinically unproven, are excluded from coverage under your health plan benefits. When UnitedHealthcare receives requests that newly developed medical equipment or procedures be covered, these requests are reviewed by the Technology Assessment Committee, which consists of physicians and other health care professionals. The Committee uses national guidelines and scientific evidence from medical literature to help decide whether UnitedHealthcare should approve the use of equipment or procedure.

UHCCommunityPlan.com
Bienvenido

Bienvenido a la red de proveedores de Región 3 de UnitedHealthcare Community Plan. Nuestros médicos y hospitales participantes están listos para satisfacer sus necesidades de atención médica. Este plan requiere que usted elija a un médico primario que lo ayudará a coordinar su atención médica. Si tuviera alguna duda, por favor llame a nuestro Departamento de Servicio al Cliente al 1-888-716-8787, las 24 horas del día, 7 días de la semana.

Éste es su directorio de recursos de la red

Los médicos primarios, médicos especialistas, hospitales y servicios auxiliares — conocidos como proveedores que conforman la red del plan — aparecen listados en este directorio. Este plan requiere que usted seleccione a un médico de atención primaria.

Todos los proveedores mencionados en este directorio tenían un contrato con la red al momento de la impresión del mismo. Dado que la lista puede tener añadiduras u omisiones una vez impreso, por favor verifique si el proveedor aún participa en la red al momento de hacer una cita. Llame al Departamento de Servicio al Cliente al 1-888-716-8787, las 24 horas del día, 7 días en la semana, o entrando en UHCCommunityPlan.com para ver nuestra directorio de proveedores en línea.

Su médico puede determinar que usted padece de una afección médica, la cual requiere o se beneficiaría con servicios especiales que no están disponibles por parte de los proveedores que en este momento participan en su red. De ser así, usted es elegible para obtener cobertura para dichos servicios que son médicamente necesarios una vez que se haya autorizado por adelantado por medio de una referencia hecha por su médico. **No necesita una referencia si se ha identificado que tiene necesidades especiales de cuidados de salud.** Proveedores fuera de nuestra red de participantes deben llamar a nuestro departamento de servicios al proveedor al 1-877-842-3210 para obtener información. El pago de los gastos elegibles por servicios médicamente necesarios está sujeto a las limitaciones y exclusiones de la cobertura de su plan médico, las cuales aparecen en su manual para miembros.

Algunos proveedores pueden escoger no realizar ciertos servicios basados en creencias religiosas ni morales.
Cómo investigamos a los médicos

UnitedHealthcare revisa las credenciales de sus proveedores al momento en que solicitan ser admitidos en la red y también con regularidad posteriormente. Esto se lleva a cabo para asegurarnos que ellos cumplen con las normas de calidad de UnitedHealthcare. Algunas de las cosas que UnitedHealthcare revisa son:

- Licencias médicas
- Certificados de capacitación y de la junta médica
- Privilegios de admisión en el hospital de la red
- Registros de su práctica médica

Las credenciales de los proveedores incluidos en la lista se verifican con las agencias públicas y privadas correspondientes. La evaluación final, recomendación y admisión de un proveedor a la red de UnitedHealthcare está sustentada por un panel que incluye proveedores altamente respetados y que operan en su propia comunidad.

¿Qué es una red?

Una red consiste en un grupo selecto de médicos, especialistas, hospitales, centros para pacientes ambulatorios, agencias de salud en el hogar, farmacias, servicios de laboratorio y otros proveedores auxiliares que se contratan para prestar servicios.

El médico primario

Cuando usted se inscribe se le asignará un médico de atención primaria quien se convertirá en su médico personal o familiar y le ayudará a coordinar toda su atención médica de manera continua y cuando sea necesario, lo referirá a un especialista, servicio auxiliar u hospital.

Cada miembro de la familia puede escoger individualmente a su médico de atención primaria, si así lo desea, y puede cambiar de médico con sólo llamar a Servicio al Cliente. También, usted puede elegir tener todos los miembros de la familia que están en el plan de UnitedHealthcare Medicaid servido por el mismo proveedor primario del cuidado, o usted puede elegir diversos proveedores de atención primaria basados en las necesidades de cada persona. Los miembros ven a su médico por medio de citas, con excepción de las situaciones de emergencia.
Es necesario tener una referencia de su doctor primario antes de tener una consulta con la mayoría de los especialistas. **No necesita una referencia si se ha identificado que tiene necesidades especiales de cuidados de salud.** Los siguientes proveedores de especialidades no requieren una autorización:

- Ginecólogo/Obstetra (OB/GYN)
- Podología
- Dermatología
- Optometría
- Quiropráctico
- Salud Mental/Profesionales para tratamiento del abuso de substancias

Las referencias son solamente para consultas con especialistas. **No necesita una referencia si se ha identificado que tiene necesidades especiales de cuidados de salud.** Los siguientes servicios no requieren de una referencia:

- Servicios de emergencia en una sala de emergencias o en un hospital.
- Vacunaciones en contra de la gripe o la neumonía.
- Servicios de diálisis renal de un centro certificado para diálisis, cuando usted se encuentre temporalmente fuera del área de servicio del Plan de Salud.
- Exámenes de salud rutinarios para mujeres, tales como exámenes de los pechos, mamografías, pruebas de Pap (Papanicolau) y exámenes pélvicos si estos servicios se obtienen de un proveedor perteneciente a nuestra red.
- Exámenes rutinarios de la vista y del oído, anteojos, lentes de contacto o aparatos para la sordera ofrecidos por proveedores pertenecientes a nuestra red.

Si usted no tiene una referencia antes de visitar a un especialista para algún servicio no mencionado arriba, el servicio no será pagado.

------------------------------------------------------------------------------------------------------------------

**Selección de un especialista**

Si considera que tiene que ver a un especialista, hable con su médico. Él/ella le ayudará a encontrar uno que satisfaga sus necesidades. Si su médico de atención primaria cree que usted necesita acudir al especialista, él/ella le debe enviar a un proveedor participante.

Su médico primario selecciona al proveedor especialista al que lo referirá, basándose en las referencias que tiene sobre su práctica profesional y su afiliación a hospitales. Si su médico primario se niega a remitirlo al proveedor de atención especializada, usted tiene derecho a presentar una queja. Sírvase consultar el manual para miembros para leer las instrucciones sobre cómo presentar una queja.
**Hospitales**

UnitedHealthcare brinda cobertura de hospitalización cuando es necesario por razones médicas. Toda su atención como paciente internado debe ser coordinada y autorizada por UnitedHealthcare. En caso de una admisión de emergencia, UnitedHealthcare debe ser notificado dentro de 48 horas. Si recibe atención sin autorización previa (excepto en una situación de emergencia o en una situación de atención de urgencia fuera del área), usted será responsable de todos los costos. La selección del hospital se determina, entre otras cosas, por los privilegios de admisión de su médico al Plan con ciertos hospitales, los servicios ofrecidos por el hospital y los arreglos del hospital con UnitedHealthcare.

Para obtener la afiliación del hospital del doctor primario y proveedores de especialidad, favor llamar a nuestro Departamento de Atención al cliente en 1-888-716-8787.

**La atención por parte de un médico cuando usted está en el hospital**

Su atención en el hospital debería ser coordinada por su médico primario. En caso que su médico primario no pueda proporcionar este servicio, UnitedHealthcare ha contratado a médicos que se llaman “hospitalistas”. El hospitalista coordina su atención durante toda la estadía y se mantendrá en comunicación con su médico primario. Cuando salga de alta, su médico primario continuará coordinando su atención igual que en el pasado.

Durante su estadía en el hospital, su médico primario también se comunicará con el médico que lo internó para recibir información sobre su avance o afección.

Si usted o su familia quiere hablar con el médico que lo internó en el hospital, por favor comuníquese con el personal del hospital y pida hablar con el médico de admisión. Como siempre, nuestra meta es proporcionarle la mejor atención posible y mantener informados a usted y a los miembros de su familia en todo momento sobre su atención médica durante una estadía en el hospital.

**La confidencialidad de los expedientes médicos**

UnitedHealthcare no divulgará ninguna información personal o médica a nadie sin su consentimiento escrito, a menos que lo exija la ley.
Servicios de salud mental y/o por abuso de sustancias

United Behavioral Health, Inc. (UBH) para la red de IPA.

UBH, como subsidiaria de UnitedHealthcare Group, proporciona cuidados administrados de salud mental y por abuso de sustancias a los miembros de UnitedHealthcare. Como compañía de atención médica administrada de salud mental, UBH tiene la responsabilidad de coordinar y revisar todos los servicios de Salud Mental y/o Abuso de Sustancias (MHSA, siglas en inglés). Por lo general, esto incluye la autorización previa de la atención para pacientes internados y ambulatorios, revisión concurrente, coordinación de los servicios con los médicos primarios y el desarrollo de programas nuevos que satisfacen las necesidades de nuestros miembros. Cada proveedor de salud mental en la red de UBH ha sido evaluado por el Comité de Seguridad de la Calidad de UBH. Los servicios de salud mental y/o abuso de sustancias pueden obtenerse llamando directamente al número gratuito de UBH al 1-800-582-8220 o al servicio gratuito desde TTY/TDD al 1-888-229-1412 (para personas con problemas de audición) de las 8:00 a.m. hasta las 5:00 p.m. Por favor consulte su manual para miembros para obtener los beneficios concretos disponibles.

Previa notificación

Hay ciertos tipos de servicios que requieren de Previa notificación. Su doctor primario se asegurará de que la notificación requerida sea obtenida. Si desea conocer cuáles son los servicios para los que se requiere previa autorización, usted puede obtener una lista llamando al Servicio al Cliente al 1-888-716-8787.

Medicamentos recetados

Como miembro de UnitedHealthcare Community Plan, usted recibirá medicamentos recetados sin costo alguno para usted. Necesitará una receta escrita de su médico de atención primaria (PCP, siglas en inglés) o de un especialista de UnitedHealthcare para que le suministre los medicamentos recetados. Se cubren incluso muchos medicamentos de venta libre (tales como el jarabe para la tos), siempre que tenga la receta médica. Simplemente lleve su receta a una farmacia participante.

UnitedHealthcare tiene una Lista de Medicamentos Preferidos (PDL, siglas en inglés) que indica los medicamentos que están cubiertos. La PDL es una lista de medicinas que un plan de salud (u otras organizaciones de salud) aprueba para su uso. Tener una PDL ayuda a su médico a recetarle medicamentos. Cada año se introducen nuevos medicamentos y formas de tratamiento, por lo que UnitedHealthcare agregará medicamentos a su PDL conforme los necesite.
La mayoría de los medicamentos que puede necesitar están incluidos en nuestra PDL. Si su medicamento no aparece en la lista, su médico podría llamar al Departamento de Farmacia de UnitedHealthcare para saber cuáles son los medicamentos cubiertos. Si tiene una necesidad especial de un medicamento que no está en la PDL de UnitedHealthcare, comuníquese con su médico o farmaceuta, o llame a la Línea de Ayuda a los Miembros al 1-888-716-8787 para saber si su medicamento está cubierto. En la PDL hay tanto medicamentos genéricos como de marca comercial.

UnitedHealthcare requiere que, siempre que estén disponibles, se utilicen medicamentos genéricos. Si un medicamento específico no aparece listado en la PDL, su médico puede solicitarlo a través de nuestro proceso de autorización previa. Durante tal proceso, usted recibirá un suministro temporal de 5 días del medicamento, si no lo ha estado tomando y si no hay peligro de que lo tome. Si tiene preguntas sobre la PDL, hable con su médico o farmaceuta.

Programa de mejora de la calidad

UnitedHealthcare se compromete a satisfacer sus necesidades. Nuestra misión es “mejorar la salud y la calidad de vida de las personas a las que brindamos servicios, al proporcionar atención médica y servicios de administración de calidad”.

El Programa de Mejora de la Calidad monitorea y evalúa la prestación de los servicios y la atención que usted recibe. Siempre tratamos de mejorar y aumentar la salud y el bienestar de nuestros miembros.

El Programa de Mejora de la Calidad se proporciona a través de toda la organización para garantizar el uso completo de los recursos apropiados y para proporcionar la mejor atención posible a usted y su familia.

Procedimientos experimentales o de investigación

Los servicios experimentales o de investigación que no han sido probados clínicamente están excluidos de la cobertura de beneficios de su plan de salud. Cuando UnitedHealthcare recibe solicitudes para que se cubra determinado equipo o procedimiento médico desarrollado recientemente, dichas solicitudes son revisadas por el Comité de Evaluación Tecnológica, que consiste en médicos y otros profesionales de la atención médica.

El Comité utiliza normas nacionales y evidencia científica de materiales médicos publicados para ayudarse a decidir si UnitedHealthcare debe aprobar el uso del equipo o procedimiento.
