Accreditation shows the hospital’s evaluation by experts in hospital care. An accredited hospital must participate in ongoing reviews to ensure that its operations are up to the latest standards. Please see below for the possible rankings.

The Joint Commission is one entity that accredits hospitals. The following ratings are possible:

- **Accredited**: the hospital was in compliance with all standards when surveyed or within 90 days of the survey
- **Preliminary Accreditation**: the hospital passed a brief review of its compliance with Joint Commission standards and will be surveyed more fully shortly
- **Conditional Accreditation**: the hospital complies with some, but not all, of the Joint Commission’s standards, but will be surveyed more fully shortly
- **Provisional Accreditation**: the hospital was not able to address all of the requirements for improvement that the first survey suggested within 45 days, or the hospital failed to show that it has been able to sustain compliance
- Accreditation can also be granted by the American Osteopathic Association (AOA), in which case the listing will read, “Accreditation: AOA (Accredited).”

All of the information in these provider listings is based upon the provider’s application. This information is checked by UnitedHealthcare Community Plan at the time of credentialing and every three years (or sooner) when the provider is recredentialed.

La Joint Commission es una entidad que acredita a los hospitales. Los siguientes valores son posibles:

- **Acreditado**: El hospital ha cumplido con todas las normas cuando encuestado o dentro de los 90 días de la encuesta.
- **Acreditación Preliminar**: El hospital pasó una breve revisión de su cumplimiento de las normas de la Joint Commission y se encuestará más plenamente.
- **Acreditación Condicional**: El hospital cumple con algunos, pero no todas, de las normas de la Joint Commission, pero se encuestará más plenamente en breve.
- **Acreditación Provisional**: El hospital no era capaz de hacer frente a todos los requisitos de mejora que la primera encuesta sugirió dentro de 45 días, o el hospital no pudo demostrar que ha sido capaz de mantener el cumplimiento.
- La acreditación también puede ser otorgado por la Asociación Americana de Osteopatía (American Osteopathic Association – AOA), en cuyo caso la lista se leerá, “Acreditación: AOA (Acreditado).”
