You must get all of your covered services from providers within our network. These providers have an agreement to work with us and provide you services. We call these providers “network providers”.

The exceptions to this rule are when you need long-term nursing home care, urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. Also, for a specific period of time after your enrollment in UnitedHealthcare Connected for MyCare Ohio you can see your out-of-network physicians and other service providers, including nursing homes and assisted living providers, home health nurses, aides and LTSS or “waiver services” providers. Members must qualify for these services as they are not available to all plan members. You can also go outside the plan if UnitedHealthcare Connected for MyCare Ohio gives you permission first. Call Member Services to ask for the use of providers outside of our network, so we can make arrangements for you.

**If you have questions**, please call UnitedHealthcare Connected for MyCare Ohio at 1-877-542-9236, TTY 711, 8 a.m. - 8 p.m., local time, Monday - Friday (voicemail available 24 hours a day/7 days a week). You may change providers within the network at any time during the year. If you have been going to one network provider, you do not have to keep going to that same provider. If you want to change your primary care provider (PCP), call Member Services. Members can change their PCP monthly. Change requests made within the first month of membership will be effective the date of the request. If you request a PCP change after your first month of membership, the change will be effective on the first day of the next month. You will receive a new membership ID card that shows your new PCP name and phone number.

UnitedHealthcare Connected for MyCare Ohio works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
