Frequently asked questions

	Answers
<p>What is a Senior Care Options Plan?</p>	<p>A Senior Care Options Plan is a health plan that contracts with both Medicare and MassHealth to provide benefits of both programs to enrollees. It is for people age 65 and older. A Senior Care Options Plan is an organization made up of doctors, hospitals, pharmacies, providers of Long-term Services and Supports (LTSS), and other providers. It also has care coordinators/managers to help you manage all your providers and services and supports. They all work together to provide the care you need.</p> <p>Our NHC Plan is for seniors over age 65, who are enrolled in Medicare Part A and B and MassHealth Standard coverage who reside in an institution or who are in the community but receive home and community-based support services because they have functional deficits. These services help persons who normally qualify for a nursing home (Nursing Home Certifiable) to remain safely at home.</p>
<p>Will I get the same Medicare and MassHealth benefits in UnitedHealthcare® Senior Care Options that I get now? (continued on the next page)</p>	<p>You will get your covered Medicare and MassHealth benefits directly from UnitedHealthcare® Senior Care Options. You will work with a team of providers who will help determine what services will best meet your needs. This means that some of the services you get now may change. You may also get other benefits the same way you do now, directly from a State Agency like the Department of Mental Health or the Department of Developmental Services.</p> <p>When you enroll in UnitedHealthcare® Senior Care Options, you and your care team will work together to develop an Individualized Plan of Care to address your health and support needs, reflecting your personal preferences and goals.</p>

Frequently asked questions

Answers

Will I get the same Medicare and MassHealth benefits in UnitedHealthcare® Senior Care Options that I get now?
(continued from previous page)

If you are taking any Medicare Part D prescription drugs that UnitedHealthcare® Senior Care Options does not normally cover, you can get a temporary supply and we will help you to transition to another drug or get an exception for UnitedHealthcare® Senior Care Options to cover your drug if medically necessary. For more information, call Customer Service at the numbers listed at the bottom of this page.

Can I go to the same doctors I see now?

Often that is the case. If your providers (including doctors, hospitals, therapists, pharmacies, and other health care providers) work with UnitedHealthcare® Senior Care Options and have a contract with us, you can keep going to them.

- Providers with an agreement with us are “in-network.” Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. **You must use the providers in UnitedHealthcare® Senior Care Options’s network.** If you use providers or pharmacies that are not in our network, the plan may not pay for these services or drugs.
- If you need urgent or emergency care or out-of-area dialysis services, you can use providers outside of UnitedHealthcare® Senior Care Options’s plan.

To find out if your doctors are in the plan’s network, call Customer Service or read UnitedHealthcare® Senior Care Options’s **Provider Directory** on the Plan’s website at **UHCommunityPlan.com**.

If UnitedHealthcare® Senior Care Options is new for you, we will work with you to develop an Individualized Plan of Care to address your needs.

Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Service Representative at the number listed on the back cover of this book.

Understanding the Benefits

- ✓ Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services that you routinely see a doctor. Call us or go online to view a copy of the EOC. Our phone number and website are listed on the back cover of this book.
- ✓ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ✓ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- ✓ Benefits may change on January 1 of each year.
- ✓ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ✓ This plan is a Dual Eligible Special Needs Plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid. To qualify, you must be 65 or older, be eligible to receive Medicare Part A, and be enrolled in Medicare Part B and MassHealth Standard. You may also need to live in your own home or a nursing facility. If you have MassHealth Standard, but you do not qualify for Medicare Part A and/or Medicare Part B, you may still be eligible to enroll.
