Social Security Number Protection Policy of UnitedHealth Group and its Subsidiaries & Affiliates (Collectively "UnitedHealth Group")

Protecting personal information is important to UnitedHealth Group. It is the policy of UnitedHealth Group to protect the confidentiality of Social Security numbers ("SSNs") that we receive or collect in the course of business. We secure the confidentiality of SSNs through various means, including physical, electronic, and administrative safeguards that are designed to protect against unauthorized access. It is our policy to limit access to SSNs to that which is lawful, and to prohibit unlawful disclosure of SSNs.
