Help us improve!

Please take a moment to help us improve your Health and experience at UnitedHealthcare.

Member Advisory Committee - What is it?

An opportunity for “you” and other members come together with United Healthcare staff to work together to problem solve

Come up with new ideas on how to help “you” and the other thousands of members you will represent be better served.

How much time would I have to give?

**Approximately 2 hours 2-3 times a year!

What types of information would you be providing during the Member Advisory Meetings?

- You would tell us about your healthcare experience. What works and what doesn't.
 - What community resources do you use?
 - How United Healthcare would be a good partner with you if.....
 - Be our eyes and ears in the community.
 - Speak for thousands of other members across Northeast Texas.
