

HealthTALK

WINTER 2019 | ¡VOLTEE PARA ESPAÑOL!

What do you think?

In a few weeks, you may get a survey in the mail. It asks how happy you are with UnitedHealthcare Community Plan. If you get a survey, please fill it out and mail it back. Your answers will be private. Your opinion helps us make the health plan better.

Expect rewards.

Join Baby Blocks™.

Are you expecting a baby? Join Baby Blocks™. The program helps keep both you and your baby healthy throughout your pregnancy and during your baby's first 15 months of life. You will get email and text reminders about upcoming health care visits. You also get helpful health information at each stage of pregnancy and new parenthood.

When you join Baby Blocks, you also get rewards. You can earn up to 8 gifts for going to important prenatal, well-baby and postpartum visits. Rewards range from health items, to toys and books, to gift cards.

Join today. Visit UHCBabyBlocks.com to sign up for the Baby Blocks rewards program.

Test time.

Cervical cancer usually does not have any symptoms. The way to find out if you have it is with a Pap test. This is a quick and simple test that looks for early signs of cancer. Your doctor uses a brush or swab to collect some cells from your cervix. A lab looks at the cells under a microscope.

The American Cancer Society recommends Pap screening for women every 3 years between ages 21 and 29. Then Pap and HPV tests every 5 years between ages 30 and 65. Testing can end at age 65 for women with a history of normal Pap results.

Get checked. Is it time to schedule your screening? Talk to your doctor. Together, you can create the best cervical cancer screening schedule for you. Need to find a new doctor? Call Member Services at **1-844-752-9434, TTY, 711**. Or visit our member website at **myuhc.com/CommunityPlan** or use the UnitedHealthcare **Health4Me**® app.

Take charge.

See your PCP for your annual well visit.

Checkups aren't just for kids. They can help adults stay healthy, too. See your primary care provider (PCP) once a year for a well visit. You will get any tests or shots you need. Your PCP can look for problems that often don't have symptoms.

Get off to a good start this year by scheduling an appointment with your PCP. Preparing for your PCP visit can help you get the most out of it. Here's how you can take charge of your health care:

1. Think about what you want to get out of the visit before you go. Try to focus on the top 3 things you need help with.
2. Tell your PCP about any drugs or vitamins you take on a regular basis. Bring a written list. Or bring the medicine itself with you.
3. Tell your PCP about other doctors you may be seeing. Mention any medications or treatments they have prescribed for you. Bring copies of any reports and test results.
4. Write down your symptoms. Tell your doctor how you feel. Mention any new symptoms and when they started.
5. Bring someone for support. He or she can help you remember and write down information.

Need a doc? We can help. Call Member Services toll-free at **1-844-752-9434, TTY 711**. Or visit our member website at **myuhc.com/CommunityPlan** or use the **Health4Me** app.

Under control.

Tests for people with diabetes.

If you have diabetes, it is important to make your health a priority. It takes constant, careful monitoring to keep diabetes under control. Regular testing helps you see how you're doing. Have you gotten these tests recently?

- **A1c blood test.** This lab test shows how well your blood sugar has been controlled over the last few months. Get this test 2 to 4 times per year.
- **Heart disease.** Controlling your cholesterol and blood pressure can protect your heart. Get your cholesterol checked once a year or when your doctor says you should. It's important to keep your blood pressure below 130/80. Get your blood pressure checked at every visit.
- **Kidney function.** Diabetes can damage your kidneys. A urine test and a blood test can check to make sure yours are working right. Get tested once a year.
- **Dilated eye exam.** High blood sugar can cause blindness. In this test, eye drops make your pupils bigger so your retina can be checked. It helps find problems before you notice them. Get this test once a year.
- **Foot exam.** Get your feet examined once a year to check for wounds and nerve damage.

We make it easy. These tests are covered benefits. If you need help making an appointment or getting to the doctor, call Member Services toll-free at **1-844-752-9434**, **TTY 711**. Or use the **Health4Me** app.

Lean lunch.

Use leftover chicken breast for a healthy lunch the next day. Make a chicken club wrap lunch box. Add even more fruits and vegetables on the side to add more nutrients and fiber.

INGREDIENTS

- 1 10-inch flour tortilla or sandwich wrap
- 1 cup cooked chicken breast, chopped or sliced
- 1 small tomato, chopped or sliced
- 1 cup romaine lettuce or spinach, shredded
- ¼ cup low- or nonfat salad dressing (optional)

For sides:

- 8–12 baby carrots
- ¼ cup grapes or berries

DIRECTIONS

Layer chicken, tomato and lettuce or spinach on the tortilla within 1 inch of edges. Drizzle with light salad dressing, if desired. Fold opposite sides of tortilla up toward center, about 1 inch over filling (sides will not meet in center); roll up tortilla, beginning at 1 open end. Cut diagonally in half. Add side servings of carrots, grapes or berries.

Resource corner.

10 facts about depression.

Things to know when you're feeling down.

- 1. Depression affects your thinking.** If you have thoughts of suicide, please call someone right away. You can call the National Suicide Prevention Lifeline at **1-800-273-TALK (8255)** or the National Hopeline Network phone at **1-800-SUICIDE (1-800-784-2433)**.
- 2. Depression makes it hard to give.** It's hard to think of other people when you're depressed.
- 3. Depression is often experienced as anxiety.** Make sure you get a correct diagnosis. This will help you get the best treatment for you.
- 4. Ongoing irritability can be a symptom of depression.**
- 5. Chronic pain can be another symptom of depression.** At the same time, being in continual discomfort can cause you to become depressed.
- 6. Alcohol is a depressant.** So are marijuana and many other recreational or street drugs. Using these substances could make you feel worse in the long run.
- 7. People don't choose to be depressed.** But they do make a choice about how to deal with it. Denying that you have a problem will not make you feel better.
- 8. Depression can be as hard on your loved ones as it is on you.** Those closest to you may start to feel unloved. Try to show your love in small ways you can manage.
- 9. Exercise is the easiest and least expensive cure for depression.** Walking just 30 minutes a day can help.
- 10. Sometimes talk therapy can work wonders.** Think about seeking counseling.

More information, tools and resources for depression can be found at the Live and Work Well website. To access Live and Work Well:

- Go to **LiveandWorkWell.com**.
- If you do not know your access code, click on "I don't know my access code."
- Select your health plan in the list of UnitedHealthcare Community Plan options.
- Click on "Enter."
- Go to the "Mind and Body" drop down.
- Select "Mental Health."
- Scroll down to select your topic. Topics include depression as well as other mental health conditions.

Get help. To learn more about your behavioral health benefits, call Member Services toll-free at **1-844-752-9434, TTY 711**.

UnitedHealthcare Community Plan complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. In other words, UnitedHealthcare Community Plan does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex.

UnitedHealthcare Community Plan:

- Provides free aids and services to people with disabilities to communicate effectively with us, such as:
 - Qualified sign language interpreters
 - Written information in other formats (large print, audio, accessible electronic formats, other formats)
- Provides free language services to people whose primary language is not English, such as:
 - Qualified interpreters
 - Information written in other languages

If you need these services, contact UnitedHealthcare Community Plan at the toll-free member phone number listed on your health plan member ID card, TTY 711.

If you feel that UnitedHealthcare Community Plan has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance by mail or email:

Civil Rights Coordinator
UnitedHealthcare Civil Rights Grievance
P.O. Box 30608
Salt Lake City, UTAH 84130
UHC_Civil_Rights@uhc.com

You can also file a civil rights complaint with the U.S. Department of Health and Human Services, Office of Civil Rights, electronically through the Office for Civil Rights Complaint Portal, available at **<https://ocrportal.hhs.gov/ocr/portal/lobby.jsf>** or by mail at:

Mail:
