We’re glad you are a member of UnitedHealthcare Community Plan! UnitedHealthcare Community Plan is a Health Maintenance Organization (HMO), which consists of a network of providers who will provide for your care. Because we are an HMO, your health care needs will be provided by providers who participate with UnitedHealthcare Community Plan. If your primary care provider (PCP) decides that you need services outside of UnitedHealthcare Community Plan’s provider network, s/he can call Utilization Management to discuss your care. Please refer to your member handbook if you need help in accessing needed care.

UnitedHealthcare Community Plan does not discriminate on the basis of race, color, religion, sex, sexual orientation, age, disability, national origin, veteran status, ancestry, health status or need for health services in the receipt of health services.
Tennessee’s EPSDT Program

The EPSDT or Early and Periodic Screening, Diagnostic, and Treatment Program is called TennCare Kids in Tennessee. It is the name for the program that provides health care for your child and teen.

TennCare Kids is a full program of checkups and health care services for your child, which can be conducted by a Primary Care Provider (PCP) that accepts patients under the age of 21. These checkups are important even if your child seems healthy. They help your PCP find and treat problems early. In TennCare Kids, checkups for children are free until they reach age 21.

TennCare Kids also pays for all medically necessary care and medicine to treat problems found at your child’s checkup. This includes medical, dental, speech, hearing, vision, and behavior or mental health problems.

**TennCare Kids checkups include:**
- Health history
- Complete physical exam
- Lab tests (as needed)
- Immunizations
- Vision/Hearing screening
- Developmental/Behavioral screening (as needed)
- Advice on how to keep your child healthy

**Children should have a TennCare Kids checkup when they are:**
- At birth
- 3–5 days old
- 1 month
- 2 months
- 4 months
- 6 months
- 9 months
- 12 months
- 15 months
- 18 months
- 24 months
- 30 months
- Every year: ages 3–20

Your child can also have PCP visits at other times if needed. For example, a teacher might see something that calls for a PCP visit. These visits are part of the TennCare Kids program.

To schedule a TennCare Kids visit, call your child’s PCP or Member Services at 1-800-690-1606, TTY 711.

Using this Provider Directory

To find a provider, choose the county you want in the table of contents. Choose the type of provider you want. Remember to take your member ID card with you.

These listings are based on the provider’s application. We verify certification when a provider joins our network. We check every three years (or sooner). We verify names, phone numbers, addresses, languages, limits and gender when a provider joins our network or gives us new information. A preferred provider meets certain standards or certification and is noted in this directory.

Some network providers may have been added or removed from our network after this directory was printed. We do not guarantee that each provider is still accepting new members.

For access to the most current information, please log in to your myuhc.com account and click “Find a Doctor,” or call Member Services at 1-800-690-1606, TTY 711.

Reporting incorrect information

To report incorrect information, email provider_directory_invalid_issues@uhc.com.

This email box is for members to report potential inaccuracies for demographic (address, phone, etc.) data elements identified on the online or paper directories. Reporting issues via this mailbox will result in an outreach to the provider’s office to verify all directory demographic data.

Individuals can also report potential inaccuracies via phone. UnitedHealthcare Community Plan members should call the number on the back of their member ID card. Non-UnitedHealthcare Community Plan members can call 1-888-638-6613.

Providers should go to UHCprovider.com/portal to use the My Practice Profile tool in the UnitedHealthcare Provider Portal under the Practice Management drop-down. Contractual issues should be addressed through your UnitedHealthcare Network contact at UHCprovider.com/contactus.
